

## North Texas Karters

North Texas Karters (NTK) is a family oriented Kart racing club where members and spectators enjoy weekend racing in a pleasant and safe environment. Our club welcomes new members who wish to compete at various racing levels. Our drivers range from age 5 to 65!

NTK is a non-profit club that has been around for 35 years and is proudly owned by its club members. NTK has always maintained an excellent reputation for safety.

The track is located on 16 acres and provides a challenging ½ mile, nine turn asphalt sprint course with banked turns, creating fun and excitement for all ages. NTK offers racing for various classes ranging from Kid Karts up to 125cc Shifters. Bring the whole family and come experience the thrill of racing at North Texas Kartway.

## Club Racing

NTK hosts club races all year long! We offer Spring, Summer, and Fall series that combine for year end awards. For those that like cold weather and can't wait to race, we offer the Outlaw series in January and February.

NTK also hosts National and Regional races sponsored by KART, IKF, Rotax and SKUSA.

In warm weather (late Spring, Summer, and early Fall) races are on Saturday night. Registration starts at 3:00 PM and racing begins at 6:00 PM.

In cooler weather (early Spring, late Fall, and Winter) races are on Sunday. Registration starts at 10:00 and racing starts at 1:00.

NTK maintains an active website with frequent updates. Check the website for racing schedules, race day information, and general club information.
